WHY A COUNCIL?

Formed in 1983, the Council's purpose is both educational and functional. It fills very real needs for all segments of the Frozen and Refrigerated Food trade – salespeople, distributors, retailers, manufacturers, media and services – to communicate, educate and keep everyone updated in this ever-changing industry and marketplace.

LET'S HAVE LUNCH!

Meaningful yearly meeting featuring a keynote speaker serves to keep members abreast of trends and changes.

PARDON OUR SMOKE!

Over the past 37 years, the Council has grown to over 48 companies and 126 individual members consisting of Retailers, Manufacturers and Brokers. We sponsor two Northern California promotions each year: March National Frozen Food Month and Dairy + Beyond Month in June. Both of these programs

yield great results, driving the consumer to both the frozen and refrigerated aisles of our NorCal Retailers, and growing sales for everyone.

BE A PART OF IT!

The Council is designed as a non-profit "working organization" and needs more good people to help create programming, brainstorm terrific events and offer industry insight with the ever-changing trends in frozen and refrigerated. Plus, we are a lot of fun.

SOCIAL MEDIA!

Follow us on Facebook, Instagram, Twitter, LinkedIn and Pinterest. You'll see firsthand what we do in the way of promoting our manufacturers, retailers and our special events. Check us out.

One regular membership with voting privileges is allowed for each company and there must be a regular member before associate memberships are granted. Dues cover the fiscal year beginning January 1. Dues are not considered contributions deductible under sec. 170(c) of the IRS code.
